TRAINING & EDUCATION

The **When Disaster Strikes Institute** provides you with critical knowledge and resources needed to assist your communities in the event of a natural disaster. Throughout this interactive, two-day event, you will receive expert training and valuable materials required for this important position that every community needs.

Participants will be better able to:

- Explain the role of the of the National Incident Management System
- Prepare for mobilization prior to a disaster
- Execute site mobilization procedures
- Conduct a site inspection
- Estimate damage by percentage of structure or by dollars per square foot
- Post standardized notices and/or alternative notices
- Communicate with affected persons at the disaster site

June 2nd & 3rd, 2014 8:00 am - 4:00 pm

(Registration starts at 7:30 am. Must attend both days)

Milwaukee Department of Neighborhood Services
4001 S. 6th Street, Milwaukee, WI 53221

Instructed by: **William Bracken, P.E.** Sponsor: Wisconsin Code Officials Alliance

Note: Prerequisite **NIMS 700 course is required prior to attendance!** You can take this free online at <http://training.fema.gov/EMIWEB/IS/is700a.asp>

Class size is limited - Be ready to respond - Register TODAY
